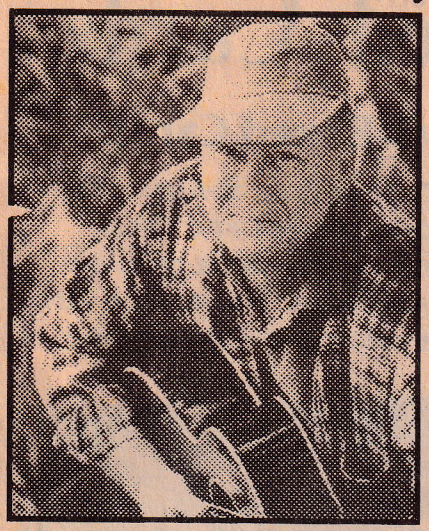
An interesting mix of professions . . .

Auctioneer, realtor by day - entertainer by night!



Relax, enjoy a great cup of coffee and listen to Pitman's own Steve Byrne at the Aroma Rules Cafe, Timberline Shopping Center on Thursday evenings from 8 - 10 pm.

Pitman's auctioneer, Steve Byrne, also a licensed Realtor, is a busy man. He can be found most evenings playing guitar in area coffeehouses throughout New Jersey.

A Ragtime Blues Guitarist, Byrne plays locally at the *Aroma Rules Cafe*, Timberline Shopping Center, Sewell.

Byrne explains that he specializes in finger picking traditional blues and rag guitar from the 20's and 30's in the Piedmont (Southeast US) style. He has played up and down the East Coast from Maine to South Carolina.

"As a preservationist, I'm interested in keeping the spirit and integrity of the country blues alive," he says. "Country blues is very simplistic on the surface and can lend itself to stylization. My renditions are as close as possible to the originals."

Byrne says his goal is to capture the essence of what the originals were, allowing the listener to catch a glimpse of the pre-war blues scene.

For a refreshing change of pace from the standard movie/pizza night in Pitman, head to Aroma Rules and enjoy the always entertaining Steve Byrne.
